Celebration of World Statistics Day

AISHE Cell of Narayan Zantye College of Commerce celebrated World Statistics day on 10th October, 2025 at 10:30 am onwards at college seminar hall to emphasize the importance of data-driven decision-making. The event aimed to promote statistical awareness among students and highlight the role of data analysis and visualization in various fields such as business, population growth, cyber security and tourism

College organized a “Data Visualization” PowerPoint Presentation Competition for both undergraduate (UG) and postgraduate (PG) students. The objectives of the event was the following

- To encourage students to explore real-world data sources.
- To develop analytical thinking and visual communication skills.
- To demonstrate the relevance of statistics in addressing contemporary issues.

Students were invited to present insights using various data sets available on website focusing on patterns, trends, and statistical implications. Total 16 participants utilized graphical tools, charts, dashboards, and infographics to illustrate their findings effectively. Each presentation was evaluated based on:

- Statistical accuracy and relevance
- Clarity of data visualization
- Creativity and originality
- Presentation skills

The event began with an inaugural address by Principal Prof. (Dr.) Rajendra Kumbharjuvenkar, who spoke about the growing significance of data literacy in the digital age.

The competition provided a practical learning experience and nurtured students' interest in data analytics and visualization—key competencies in modern commerce and management fields. Winners from both UG and PG categories were awarded trophies and certificates of merit, while all participants received appreciation certificate for their enthusiastic participation.

Prof. (Dr.) Jhimli Adhikari
