## ABOUT THE CONFERENCE

The central theme of the conference, “Next-Gen Libraries: Innovations, Tools and Technologies,” focuses on exploring emerging trends and advancements shaping the future of libraries. It offers participants a platform to discuss and adopt innovative technologies and best practices that address the evolving needs of users. The conference aims to foster collaboration through library networks across regions, develop strategic policies for transforming libraries into future-ready institutions, promote sustainable and green library initiatives, and formulate strategies for digitizing and preserving historical archives and indigenous knowledge. Additionally, it seeks to explore creative approaches to enhance digital collections, improve access to research and scholarly communication, and integrate cutting-edge technologies such as artificial intelligence to redefine library services and operations.

## ABOUT THE COLLEGE

Narayan Zantye College of Commerce was established in 1994 by Zantye Brothers' Educational Foundation, Bicholim-Goa. We have completed Thirty one successful years of operation. Narayan Zantye College is committed to provide best possible educational facilities to Bicholim and surrounding talukas.
