**ANALYSIS AND ACTION TAKEN BASED ON THE FEEDBACK FROM STUDENTS
FOR THE ACADEMIC YEAR (2023-2024)**

Students Feedback Report 2023-24:-

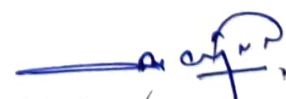

1. Most respondents agreed the curriculum offers room to improve employability. However, a few mentioned it was not very significant.
2. Feedback on how often the curriculum should be revised varied—some preferred yearly updates, while others recommended intervals of 2.5 or 5 years.
3. Opinions were split on the Balance of Theoretical and Application Knowledge, with some feeling the curriculum achieves a good balance, while others disagreed.
4. Engagement in Learning, some respondents found the curriculum engaging, while others indicated it might lack sufficient elements to spark interest in learning.
5. Most participants reported adequate library resources.
6. A majority felt the curriculum adopts a practical approach, and a few disagreed.
7. Overall Rating curriculum was rated mostly as Good.

Suggestions for Improvement:

1. Increase Employability Focus: Introduce modules or projects directly aligned with industry requirements.
2. Regular Curriculum Updates: Consider revising the curriculum every 2-3 years to keep it relevant.
3. Enhance Practical Learning: Add more hands-on workshops, internships, or labs to complement theoretical knowledge.
4. Improve Engagement: Incorporate more interactive and innovative teaching methodologies to make the curriculum more engaging.
5. Strengthen Resource Support: Ensure library and online resources align better with the curriculum's needs.
